Volume 36

September

It is clear that many of our parents/carers are beginning to think about September.

The Government are currently planning to further relax the extended COVID 19 restrictions on 19th July. As schools will have already broken up for the summer holiday before then and unfortunately we do not find out any intended plans before you, we can only put provisional plans in place until we (like you!) know more information.

Therefore, if expectations are relaxed and school bubbles are NOT required for September we will go back to all classes starting and finishing at the pre-COVID times. (F2 & KS1 - doors open at 8.45am and finish at 3.15pm, KS2 - doors open at 8.40am and finish at 3.15pm.) However, we would appreciate it if parents would continue to form an orderly line/queue as you have been doing as it makes it easier for the staff to see and release the children to their parents/carers.

This will also mean that we will be able to go back to eating in the dinner hall and sandwich hall and normal meal service will resume. (The menu will be available to view on Live Kitchen.)

The worse case scenario is that school bubbles remain which will mean staggered start and finishing times continuing as new class transition times and dinners still being eaten in the classrooms.

Sports Days

There is just KS1 left to complete their sports day events this afternoon.

The children have really enjoyed their sports day events!

They have also really enjoyed listening to Ray Matthews last week. Ray clearly inspired and motivated many of our pupils with his achievements.

Here is a photograph of one of our pupils supporting one of Ray's marathons 5 years ago!

If you would like to donate 20p to help Ray support Age Concern for his 80th birthday fundraising challenge, (80 schools running 80 miles raising £80) please ensure you send it in to school by Wednesday 30th June (Ray's 80th Birthday!)

<https://www.itv.com/news/calendar/2021-05-18/rotherham-fundraiser-ray-matthews-embarking-on-new-challenge-for-80th-birthday>

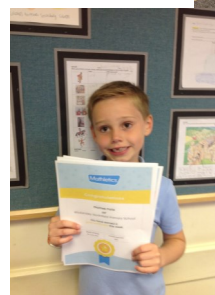

Thank you for your support.

Gold Awards

A huge WELL DONE to Rosie Mercer

&

Thomas Potts

who have achieved their gold award on Athletics.

Keep up the fantastic work everyone!

Staffing Update

It is with great regret that we are informing you that Mrs Glenn will be leaving our school at the end of this academy year after working at our school for over 20 years. Over the years Mrs Glenn has worked to support numerous pupils in our school with various interventions and we will all miss her.

Therefore, from September Mrs Merry will be joining our school and supporting in 2KB. Mrs Smith and Miss Miree will be supporting RWI and interventions.

Mrs Earl will be supporting in 3GS in an afternoon from July.

Mrs Leeks will now be supporting in 3LT and Mrs Hudson will be in 3GS.
