Volume 3

## Royal Institution

The Royal Institution were in school on Friday the 10th of September. The presenter amazed ks2 children in the morning with her scientific

knowledge and displays, awed the KS1 children in the afternoon with her demonstrations and invigorated staff with her scientific knowledge after school.

The children thoroughly enjoyed themselves and asked some insightful questions showing that they were intrigued by what they had seen and heard.

After school there was a community event where further applications of science were discussed and more experiments were conducted. We hope that everyone who attended enjoyed it and learnt as much from them as we did in school.

## Parent meetings

Class teachers continue to host their parent meetings this week. On Monday the 13th of September year 6 will be hosting theirs at 4pm and on Thursday the 16th of September year 5 will be hosting theirs at 4pm.

Next week Y3 will be hosting theirs on Monday the 20th of September at 4pm and Y2 will be hosting theirs on Thursday the 23rd of September at 4pm.

These meetings are live but will be recorded and posted on google classroom for those who can't attend the live meeting to view at a later date.

## Mathletics

Children continue to access Mathletics and build up their points in order to achieve their awards. Please keep logging on as teachers will continue to set new challenges on there regularly. A huge well done to...

**Esmee Hossack (2KB)**

**Pavisnaa Sivanantharajah (3LT)**

for achieving their gold awards!

## Music Lessons

Peripatetic music lessons will soon start to take place again in school for children in years 3, 4, 5 and 6. Please read the music letter for further information which will be out shortly.

## Daily reading

Please keep encouraging your children to read regularly and hand in their reading records. Developing a love of reading is a joy to see and helps with their learning across the curriculum.

## Attendance

We are committed to working with Parents and Carers to maximise the achievement and attendance for all children. There is a clear link between good attendance and punctuality with educational achievement. In our schools, in order for an attendance record to be deemed acceptable, it should be 97% or above:

98 - 100% - Outstanding Attendance

97 - 97.9 % - Good Attendance

95 - 96.9% - Requires Improvement

92 - 94.9% - Cause for Concern

90 - 91.9% - At risk of Persistent Absenteeism

Below 90% - Persistent Absentee

Children with an attendance of 90% or below are classed as persistent absentees. Persistent absenteeism is when a child misses 10% or more of the possible sessions in an academic year.
