COVID—19

The number of cases of COVID in school is on the rise. It is important we look after each other's health and wellbeing whilst maintaining school's teaching capacity and children's attendance.

Please see the following information around the COVID-19 guidance and the procedures that need to be followed.

All pupils who have symptoms of COVID-19 must be asked not to attend school and get tested. If a negative test result is received then they can return to school however, if a positive test result is received the guidance must be followed.

All pupils who test positive for COVID-19 must be asked not to attend school for 10 days (from the onset of their symptoms or the date of their positive test if non-symptomatic). Please note the 10 day period can be reduced from day 5 if two consecutive negative LFD tests are received.

Proof of negative LFD tests will need to be sent into school before children return.

Thank you for your continued support in helping keep our school and community safe.
