Sporting News

Last week Wickersley Northfield Primary School were in action again, this time against East Dene at cricket.

A high level of skill was on display during the game and the children showed excellent teamwork and great sportsmanship.

The quality of the children's fielding was noted with Tyler Saunders' bowling being highlighted as exceptional!

Reading

At Wickersley Northfield Primary School we aim to develop children's love of reading as it is one of the most important ways we can support and develop your child's reading skills and also enables them to do better across all subjects in school.

To promote children's pleasure in reading, we need to read to children and with them and to talk to them about books. These conversations are crucial as they help children to engage and think deeply about what they are reading.

Water

Recently we have had some nice weather and it is great to see the children playing on the school field again.

With the weather changing can parents please ensure children are bringing a water bottle to school so they stay hydrated throughout the day.

Also, could all parents please ensure that only water is brought

into school. Thank you.

All of the above led to the team achieving 297 runs for 1 wicket and East Dene achieving 243 runs for 3 wickets. A great win for the team!

Congratulations to...
